CREATING POSITIONS

The Board of Education recognizes its authority to establish support staff positions that, when filled by qualified employees, will assist the district in the achievement of educational goals set by the Board.

The Board will create new positions as required, approve a job title appropriate to the position, and determine the number of persons required to staff adequately each such position.

The Superintendent shall recommend to the Board such new positions or additional staffing in existing positions as may be required by pupil enrollments and the operational needs of the district.
