PUBLIC PERFORMANCES BY PUPILS

The Board of Education recognizes the value to pupils and to the community of the demonstration of pupil talents and skills in performances of pupil organizations in public events. The Board endorses such performances when they contribute to the instructional program, do not interfere with scheduled school activities, and do not exploit or endanger participating pupils.

When public performances are scheduled as a regular part of a course of study taken for credit, pupils shall be informed in advance of their obligation to participate.

No pupil, pupil organization, or employee of this Board shall receive compensation for the performance in public of pupils organized for a school activity.
